

VICS / EAST Radio Spot Public Service Announcement

Hey you!

Excuse me but do you see what you are doing to our beautiful islands with your littering?! It takes ALL of us to place trash in its proper place. Please do your part to protect our home and tell others to join you. It takes the VI Government and many, many self less volunteers such as the members of your family, friends, neighbors, class mates and co workers to help out in our war against litter. (Emphasis on who does the clean ups)

But we need you to make our islands a cleaner place.

If you see someone littering ask them to dispose of it properly, better yet if you can, take a cell phone picture of the event and report it to the VIWMA office on St. Thomas and St. John at 776-4844 Ext. 292 or on St. Croix the hotline number is 713-1962.

Better yet join us in our recycling aluminum can campaign in your area or lend a hand at a local cleanup event. For more information about this and our activities visit www.eastvi.org and make our dream of a cleaner home--- a reality.

This message brought to you by the VI Conservation Society and the Environmental Association

Music : Owl City

"I'd like to make myself believe,
That Planet Earth turns slowly.
It's hard to say that I'd rather stay awake when I'm asleep,
Because my dreams are bursting at the seams...."
